

Are you watching TV's richest & most compelling drama?

Defiant Screen Entertainment is proud to present **The Complete Fifth Season** of the epic Starz series, **POWER**, from Executive Producer Curtis '50 Cent' Jackson.

Set in modern day New York and filmed in and around the city's five boroughs, **POWER** is a visionary crime drama set in two different worlds – the glamorous New York club scene and the brutal drug trade.

Season 5 picks up with James "Ghost" St. Patrick in a dangerous alliance with his former drug partner and brother-in-arms Tommy Egan and mortal enemy Kanan Stark. As Ghost mourns the death of his daughter Raina, he searches for vengeance and throws himself into his work, reaching new professional heights. But with this newfound publicity, his quest for blood threatens to dismantle his legitimate legacy. Ghost is blind to new enemies and, as the Feds grow closer to unmasking his true identity, Ghost must remain vigilant toward those wanting to take him down for his past criminal enterprises.

The series is created by Courtney Kemp Agboh (*The Good Wife*), who serves as executive producer and showrunner. Mark Canton (*300*, *Immortals*, *300: Rise of an Empire*), Randall Emmett (*End of Watch*, *2 Guns*, *Lone Survivor*) and David Knoller (*Big Love*, *Carnivàle*) also serve as executive producers.

The cast is led by Omari Hardwick (*Sparkle*, *For Colored Girls*, *Kick Ass*) who is joined by Curtis '50 Cent' Jackson (*Spy*, *Southpaw*), Lela Loren (*Snitch*, *Gang Related*), Naturi Naughton (*Fame*, *The Client List*, *Mad Men*) and Joseph Sikora (*Jack Reacher*, *Safe*, *Boardwalk Empire*).

With Season 6 due for release in 2019, the hit series continues to go from strength to strength.

POWER THE COMPLETE FIFTH SEASON launches on DVD – February 6, 2019.
