

## **An outrageous new comedy packed with laughs, mayhem and a little bit of horror!**

Defiant Screen Entertainment is proud to present *Office Uprising* starring Brenton Thwaites, Karan Soni and Zachary Levi.

Thwaites is Desmond, an underachiever working at Ammotech, a leading weapons manufacturer. But when his co-workers are ‘weaponised’ by Zolt (an experimental energy drink being developed for the military) the office turns into a war zone. Facing a horde of homicidal maniacs and a boss who’s even more mental than usual, Desmond and an unlikely team of heroes set out to rescue his true love...and make it to the end of a killer day at work!

Director Lin Oeding, who’s most recent feature was the 2018 Jason Momoa hit *Braven*, says he was first approached about directing *Office Uprising* in October 2016. “I saw a concept video the writers had made, the video was catchy, fun, and the concept for the movie intrigued me. I had always been a fan of the comedy-horror genre, and respected filmmakers who created entertaining movies in that world, like Edgar Wright, and Sam Raimi, to name a few”, said Oeding.

“For those who have seen my short films, each is a different in style and tone. I looked at *Office Uprising* as an opportunity to create something fun in the comedy-horror genre, which is a very difficult genre to execute. I was also excited as it was as far as possible, tonally, from my prior feature film, *Braven*.

When he talks about the chaos of shooting the movie over just 20-days in Birmingham, Alabama, Oeding says, “It was fun, and a wild rollercoaster of action, cut, growls, jokes, laughs, flying body parts, and lots of violence ...and before we knew it, we were all back in LA before Christmas.”

Starring the heir to the new *Pirates Of The Caribbean* franchise, Brenton Thwaite’s star power is exploding. He is currently the lead in the new DC Universe TV show *Titans*, and will soon be reprising his role from *Maleficent* for the upcoming sequel. Co-starring with Thwaites is Zachary Levi and Karan Soni. Levi began his career playing the title character in the hit TV series *Chuck*, and most recently playing the title lead *Shazam!* for Marvel. Karan Soni is best known for his role as Dopinda in *Deadpool 1 & 2*.

Director Oeding commented, “I am excited to have been able to helm this *Office Uprising*, as it was a lot of fun to make, and I hope you enjoy it as much as we did making it.”
