

## From the hit-making team behind **ESCAPE PLAN**, **MARAUDERS** and **2 GUNS**.

Defiant Screen Entertainment is proud to present the gritty, fast paced action thriller **Reprisal** starring Bruce Willis and Frank Grillo.

A bank manager (Grillo) haunted by a violent robbery that took the life of a co-worker, teams up with his ex-cop neighbour (Willis), to bring down the assailant. While the two men work together to figure out the thief's next move, the highly-trained criminal is one step ahead and barrelling down a path of bloodshed that leads to an explosive counterattack and brings all three men to breaking point.

When asked about his role Frank Grillo said: "I think **Reprisal**, like a lot of good action films, sets up a plot device that becomes an obstacle and a challenge [for my character]. He has to get past that, create some tactics and what he finds out on the other side of it is, that he's better for the struggle and all the obstacles he had to go through."

Director Brian A. Miller (*Officer Down*, *Vice*, *The Prince*) commented that working with Frank Grillo "exceeded all his expectations." He went on to say: "His talent, his professionalism is just phenomenal, and every actor and every person who is in this crew... he elevates you to want to step outside of your comfort zone. It's been an absolute pleasure to work with him."

Co-starring alongside Grillo and Willis are Johnathon Schaech (*Marauders*, *TVs Legends Of Tomorrow*), Colin Egglesfield (*Something Borrowed*, *TVs Rizzoli & Isles*) and Olivia Culpo (*I Feel Pretty*).

They all agreed that working with Bruce Willis was like a dream come true. "He's so inspiring and his charisma on set is unlike anyone else I've been around", says Culpo. "Bruce is one of the only stars that transcended at television, film and continuously kept building this amazing career as an action hero... he became *THE* action hero", adds Schaech.

Packed with gripping suspense and phenomenal stunts... **Reprisal** will keep you guessing until the very end.
